### EXPLORING CAPE TOWN AND ITS TREASURES

A visit to Cape Point is a must for any visitor to the city - a world heritage site and romantic meeting place of the Indian and Atlantic Oceans. Enroute explore the picturesque Hout Bay, along the breathtaking Chapman's Peak Drive towards the spectacular picturesque bays, beaches, rolling green hills and valleys. Don't pass an opportunity to visit a protected beach – home to the local penguin colony.

The vibrant “Mother” city has a big drawcard - stunning scenery, great lifestyle and a cosmopolitan mix of its own culture.

Under an hours drive from Cape Town and you're in the mountains and valleys of the magnificent winelands where you will find Cape Dutch style gabled homesteads, wineries with excellent wines and quaint towns like Stellenbosch, Franschhoek and Paarl lined with ancient oaks, art galleries and sculpture gardens, as well as world renowned acclaimed restaurants. For the more adventurous visitor, this city is your oyster – from hiking to abseiling to white shark cage diving, there is so much to do and so little time.
